

Reference document (GP-PU Progress Status Presentation. Oct. 2020)

D1 Seisho Abe , RCNS

· Credits & points I have

Credits :

- No.

Points :

- GEP 4
 - I will take N1 (FPGA) on November in this year and get 3 GEP additionally.
- GSP 5
- GASP 9

· List of paper, proceedings, poster and oral presentation in international conference

- [1] “Study on Neutrino Interaction Using T2K Beam at KamLAND” (poster in NEUTRINO 2020)
- [2] “T2K neutrino at KamLAND” (poster in SNP schol 2019)
- [3] “T2K neutrino at KamLAND” (oral in T2K Collaboration Meeting)
- [4] “Simulation for T2K neutrino interaction at KamLAND”
(poster in International Symposium on “Revealing the history of the universe with underground particle and nuclear research)
