

Reference Document

Shota Nakagawa
the 1st year in doctoral course, Department of Physics

October 2, 2020

1 GPPU Credit and Point

I have not done any overseas training since entering the doctoral course, and I have not started collaborating with foreign researchers. Also I have one GASP point.

2 Publication

1. S. Nakagawa, F. Takahashi, W. Yin, "Stochastic Axion Dark Matter in Axion Landscape", Journal of Cosmology and Astroparticle Physics 05 (2020) 004.
(<https://iopscience.iop.org/article/10.1088/1475-7516/2020/05/004>)

3 Presentation

1. Strangeness Nuclear Physics school, Sep. 2019, Tohoku University [poster presentation]
Title : Stochastic dark matter in axion landscape
