Direction from Katsuta Station to Hotel Crystal Palace

If you take a bus from Narita (Rose Liner), get off at Katsuta station.

Since the hotel is far from the station (about 30 minutes by walk), we recommend to take a taxi. The bus stops in the west side of the station (Fig. 1), whereas Hotel Crystal Palace is in the opposite side (east side). There are taxis in the west side (Figs. 1 and 2), and more taxis are available in the east side. To the east side, go upstairs and go across the station (Fig. 2). Then you see taxis in front (as shown in Fig. 3).
